CLUB WOMEN AND GIRLS, INC.

1901 - 1975

BY RUBY A. EDWARDS

This History of the Illinois Association of Club Women and Girls is dedicated to the many great women, who pioneered with reverence and perseverance the ideals of womenhood, who saw a need for a united dedicated group of women to carry the standards in the homes and communities, their aim to promote the welfare and advancement of their race.

Today after 76 years of continuous service to the women and girls of Illinois, we still cherish the ideals and memories of our pioneer women and say thanks to them for their valiant and unselfish services.

Ruby A. Edwards Historian In presenting to the Illinois Association of Club Women and Girls, Inc. this history, we must first relate the records of the pioneer women, who gave to us their organized efforts and accomplishments. As we look back in the past, we recall in 1895 Mrs. Josephine St. Pierre Ruffin, President of the New Area Club of Boston, Massachusetts, called a meeting to refute a letter that reflected "upon the character and morals of our women, that was so utterly false." The women were aroused as never before. From this group of women who had been invited by Mrs. Ruffin, delagates came from the East, North, South and West. Thus the National Federation of Colored Women's Clubs was founded. Mrs. Booker T. Washington was elected President.

At this time there was another national organization, namely The Women's Loyal Union, with Mrs. Cooke as President in Washington, D. C. The women realized that both organizations, being similar, could not work harmoniously as separate units.

In July 1896 the two groups met together in Washington, D. C. and each appointed a committee to bring the two groups together for consolidation. The groups accepted their report and thus the National Association of Colored Women's Clubs came into existance with Mr. Mary Church Terrell of Washington, D. C. as President. Delegates from Illinois were Mrs. Ida B. Wells Barnett and Mrs. Elizabeth Lindsay Davis. Mrs. Harriet Tubman and Josephine S. Yates were also among those present.

In 1897 the Illinois delegates invited the group to hold their 1899 session in Chicago, Illinois. The following clubs were to act as hostesses: Ida B. Wells with Mrs. Ida B. Wells as President, Phyllis Wheatley with Mrs. Elizabeth L. Davis as President, Civic League with Mrs. Connie A. Curl as President, Progressive Circle of King's Daughters, Ideal Women's Club with Mrs. Kate Hall as President, G.O.P. Elephant Club, Mrs. Susie Fields, President and Julia Gaston, Evanston, Illinois with Mrs. Kizzie Bills as President. This group organized under the

the name of the Womens Conference. The above clubs were to be known as the Magic Seven. This meeting was held at Quinn Chapel Church. Before the closing session the Chicago Group saw the need of a state-wide organization. The Womens Conference became a permanent organization choosing the name Illinois Federation of Colored Womens Clubs with Mrs. Mary J. Jackson of Jacksonville, Illinois as President. She called the first meeting to be held at Institutional Church in 1899.

Illinois being one of the first states to join the National Association of Colored Womens Clubs. The first elected officers were: Mrs. Agnes Moody, Vice President, Mrs. Dr. Mary Waring, Secretary, Mrs. Annie Peyton, Mrs. Thersa Macon Mrs. Carrie L. Hamilton, Mrs. Elizabeth L. Also associated with us were Clubs of Milwaukee, Wisconsin.

During the Presidency of Mrs. Carrie Lee Hamilton who saw the need of closer relationship between the women, feeling the women needed and should be closer together for personal contact. She recommended the State be divided into Districts - North, Central and Southern. In the session of 1918 this was received by the body.

NORTHERN DISTRICT

## CHICAGO NORTHERN DISTRICT HISTORY

The Northern part of the state was incorporated under the name of the Chicago Northern District Association of Colored Women March 2, 1921. The first officers, whose names appear on the charter are: Mrs. Irene Goin, President, Mrs. Sayde Adams, First Vice President, Mrs. Frances Norton, Second Vice President, Mrs. Nannie Reed, Recording Secretary, Mrs. Estelle Howse, Corresponding Secretary, Mrs. Clara Williams, Assistant Secretary, Mrs. Martha Walton, Treasurer, Elizabeth Crawley, Chairperson of Executive Board, Carrie Horton, Vice Chairperson, Eugene Burns, Secretary of Executive Board, Mrs. Myra Hunter Reeves, Organizer, and Mrs. Eugenia Taylor, Editor.

The officers are elected for one year except the Treasurer and Parliamentarian; The Board of Directors is composed of 18 officers, twelve of whom are elected; Twelve department chairpersons, that are appointed by the president, plus the Honorary Presidents, constitute the governing body.

Among their major projects were acquiring a home for dependent children and a club house to serve as a base of operation for the growing number of women and clubs. A Federated Home for Dependent Children was established in 1927 under the Maude E. Smith administration. The home was incorporated on June 24, 1928 in a rented house at 5650 S. Indiana. The home had 23 rooms and cared for 235 children. In 1934 a permanent home for dependent children was purchased at 5627 S. Michigan Ave.

A Federated Club House was the dream of Mrs. Irene Goins, the First CNDA president. She appointed Mrs. Elizabeth Crawley chairwoman of the First Club House Committee to raise funds toward the purchase of a club house. The committee raised \$3000.00, with Mrs. Goins donating the first \$25.00. Unfortunately, the money was lost in the great Stock Market Crash of 1929. The women weathered the storm. The presidents who followed called upon the members to concentrate their efforts to raise funds for the club house.

On April 27, 1933 the "possibility became a reality" and the building was purchased at 4941 S. Parkway (now Dr. Martin L. King Dr.), under the administration of Mrs. Belle Fountain. Mrs. Fountain worked ordently to reduce the deficit on the home and Mrs. Tartie Horton and Mrs. Helen O. Brascher also gave their best efforts toward this endeavor.

As time passed, the Association outgrew the King Dr. Club House and in 1949 a new club house was purchased, 4441 S. Drexel Blvd. under the Margaret Hayes administration. Mrs. Hayes passed away two days after the purchase and Mrs. Alva Delaney led the organization into the new Headquarters.

The present Club House, located at 6736 S. Jeffery Blvd, was acquired under the administration of Mrs. Marie Edwards. The mortgage was paid off in 1969 under the administration of Mrs. Grace Johns.

It was through her business intuitions that she recommended a temporary closing of the home and opened a residence center for girls. ## IDA B. WELLS - THE "MOTHER OF CLUBS"

In 1893 while Ida B. Wells was traveling and lecturing in England, Scotland and Wales against lynching in this country, she noted with interest the civic activities of the women. She was inspired to do something among our own women. When she returned to this country, she conferred with Mrs. Josephine St. Pierre Ruffin, dynamic leader of Boston, Massachusetts, and the very first civic clubs was organized. It was The New Era Club. Also there were two others organized in the East before Ida B. Wells came to CHicago to protest the failure to include any mention of the tremendous contributions of the Negroes in the World's Columbian Exposition.

In Chicago, she gathered a group of interested women and organized the Ida B. Wells Club, which for many years was the oldest club in the country. In addition she had many incidents of discrimination against Negroes in club work of white women and white clubs. Some of the white women did not approve of the segregationist policies and invited the Ida B. Wells Clubs to be one of the charter members of the League of Cook County Clubs. Ida B. Wells attended and was elected as a member of the first Board of Directors.

Ida B. Wells was president of the club named for her for a number of years after she returned from her Crusade in England and throughout the United States, and after many years - again in the 1920's. The Club made significant contributions to the civic life of Chicago, establishing the first kindergarten for Negro children before kindergartens became a part of the public school system,

combating the police brutality, urging court reform, protesting the "third degree" used on black youth and black men, in celebrating the 50th anniversary of the Emancipation Proclamation, in fact celebrating the Emancipation Day every January with special programs.

Ida B. Wells was a firm believer in clubs, and urged clubs to take active parts in the civic life of the city, state and nation.

## VOLUNTEER WORKERS' CLUB

1974

The Volunteer Workers for the "Home of Aged and Infirmed Colored People" was organized December 4, 1904, when Mrs. George Hawkins gathered a few ladies at her home and explained her idea.

The object of the Club was to work for the "Home" exclusively, which they did from the time of its inception until January of 1911, accomplishing results that stand as a monument to their endeavor.

The original site of the "Home" was on West Garfield Blvd. The next location of "Home for Aged Colored People" was 4430-4432 Vincennes Ave.

After 1911, it was decided to spread Goodwill over a broader area and work for general Charities. Hence, the name "Volunteer Workers' Charity & Civic Club" under the Administration of Mrs. Ossie B. Wiley.

We are proud to have had one of our past Presidents, Mrs. Cordelia West conceive the idea and call together the originators of the Chicago City Federation, better known among todays' Federated Women as Chicago & Northern District of Colored Women's Clubs.

Mrs. Ethel M. Cleaves served as President, as did Mrs. West of Ill. Assoc. of Colored Women.

Mrs. Willie Mae Johnson worked diligently for the welfare of our Girls' Club. Our members have been presented Awards, Gold Pins, etc. for their Services in and about the City for Commendable Community and Civic Work. Thus, we have demonstrated our Motto "Not for Ourselves but for Others".

Past Presidents: Mrs. Sarah Laugh, First; Emma Chandler; Alyce Caldwell; Cordelia West; Clara Johnson; Martha Walton; Lucy Webster; Emma Marshbanks; (two terms), Sula Mae Williams; Nina Tivis; Minnie Wiggins; Eva T. ## AMERICAN ROSE ART CLUB HISTORY

The American Rose Art Club is a unit of Illinois Association and National Association of Club Women, Inc., organized in 1909 by Mrs. Ellen Kenny, an earnest woman, wanting to render Civic and Social Service to the Community. The

club has grown to a membership of 55 women with a number of associate members. In the early history of the Club the late Robert S. We maintain contributing membership in the Society for the Prevention of the Blind.

At one time the Club maintained a reading room for the blind. Art trophies have been given to the club for its outstanding leadership and contributions. Our funds are contributed to the N.A.A.C.P., the YMCA, YWCA, Urban League, Provident Hospital, Dents' Home for the Aged and other Council of Negro organizations.

"THE HISTORY OF THE CLARA JESSAMINE CIVIC AND CHARITY CLUB"
Organized, November 1912

Motto: "Loyal And True"

The Clara Jessamine Civic and Charity Club was founded in 1912 by Mrs. Minnie Collins and Mrs. Jessie Johnson (both deceased), as an advisary aid to the Board of Directors of the Phyliss Wheatley Home. After several months of existence, it was decided that financial assistance was needed more than advice.

In February of 1913, the club was reorganized and immediately began with this new object in mind, to raise funds for the home.

The success with which their efforts have been attended is evidenced by the fact that they were able to pay \$1,225.00 to the mortgage on the home and contribute \$226.00 to the cost of electrical fixtures and wiring. It in fact had sufficient means to give \$136.00 to the Urban League, toward the feeding and clothing of the unemployed and poor. They made gifts of flowers, fruit and money to cheer the sick.

The name "Clara Jessamine" is a tribute to the memory of Mrs. Clara Studymire, the first President and Mrs. Jessie Johnson, one of the founders of the club.

The past presidents of the club are as follows: Clara Studymire, Belle Fountaine, Margaret M. Hayes, Francis Bowers, Anita Patti Brown, Sarah Hardsway, Henriette Cook, Willa B. Saxton, Beatrice Webb, Cora Sales, Rose Cummings, Mary Merrill, Alice Jackson, Mamie A. Coleman, Georgia Cowan, Carrie Danner Collier, Flore Lee, Helen Bowman and Mary Haynes.

The Club had just about gone down, Mrs. Flora Lee came in invested her money into the Club and brought in new members and revised the club. During the Presidency of Mrs. Helen Bowman they entertained the National President, Mrs.

Mary Hayens, the Club on November 14, 1970, entertained the National President, Mrs. Myrtle Ollison at the Colonial House. She also organized a girls' club in memory of her Aunt, Mrs. Carrie Danner Collier, who had devoted her life in helping others.

In keeping aware of our noble founders idea of helping others, we have included in our budget the N.A.A.C.P., Urban League, Y.W.C.A., Y.M.C.A., Chicago Defender Charities, Camp Find, State Scholarship Fund, Jane Dent Home for the Aged, Marilla: House, and DuSable Musuem of African Art.

The Clare Jessamine Club agreed to buy a life membership in the N.A.A.C.P. and paid \$1000.00 on it. They also paid \$100.00 on the Club House at 6736 S. Jeffery Blvd. and four of our members paid \$100.00 each on the mortgage. Namely: Mrs. Flora Lee, Mrs. Carrie Danner, Collier, Mrs. Mary Hayner and Mrs. Helen Bowman. Making a total of \$500.00 toward the mortgage fund, under the Presidency of Mrs. Marie G. Edward.

Under the present administration (Mrs. Mary Tate, President) we celebrated our 50th Anniversary at the Palmer House on April 21st, 1973, in Chicago. With Dr. Rosa L. Gragg from Detroit, Michigan, (Past President of the National Association of Club Women and Girls), as our guest speaker. It was a very outstanding affair with outstanding women from several states attending.

We also paid out our life membership with the N.A.A.C.P. under this administration. Our President is also a Life Membership Subscriber.

It has been an honor for me to accept the Presidency of the club and help carry out the aim and wonderful service of those illustrious women that preceded me.

I shall hold on to the motto of this great organization. "Lifting as we Climb".

# EN VERITE PROGRESSIVE CLUB (In Truth)

En Verite Progressive Club was organized by Mrs. Fannie Baxter Obanion. Aware of the fact that the club was newly organized, President Obanion sponsored a benefit party to defray her expense to the State meeting. Since that time, she has made wonderful contributions to the National, Regional and State.

The late Elsie Duckworth, past President of En Verite Progressive Club, was our able Art Instructor. With her ability and the support of club members, useful articles were made and displayed from time to time at the District and State meetings. To mention a few of our Civic and Charitable acts, we secured names of soldiers (through members) on the front line. The club filled stockings and boxes with edible items etc., everything was inspected and mailed to them.

We made financial contributions to organizations through the District. The club has distributed Christmas baskets to the needy at Xmas time, and made cheer for Senior Citizens in Homes.

During World War II, through the club (which included members, headed by President Obanion) \$5,000.00 in war bonds and stamps were sold. We sponsored a prize winning Fashion Revue and presented a Drama on Dr. DeFoe and the Quintuplets. We recently (the club) paid for a \$500 Life Membership with N.A.A.C.P. (Paid in full). The club has made cash donations to every request of the Dist.

The club has made many reputable contributions, sorry I can't pinpoint them just now.

## CARNATION STUDY CLUB; MEMBER C.N.D.A. - 1937-1975

This group of women was organized on May 22, 1937 by Mrs. Alice J. Neal and immediately became federated with the Morthern District Association. Mrs. Neal, age 91, is a retired public school and piano teacher. In 1965 she was honored with the status of president-emeritus.

The club's purpose is to study matters of interest and importance to them within the framework of the Federated Club Programs in Chicago. This has afforded wonderful outlets for their minds.

In keeping with this interest in study it contributes to the Federated Club Scholarship Fund for young women who are interested in higher education but are without funds for college attendance.

Further interest in contributing to the development of black womanhood was shown in their sponsoring the organization of the Carnation Debonaires, a club of young girls which functions as a part of the C.N.D.A. Youth Groups. Mrs. Reevie Flowers is currently their supervisor.

The club's established annual calendar of events begins with its Harvest Party in November followed by the Christmas "secret-pal" exchange of gifts social affair. The anniversary is celebrated in May with a dinner and program which includes the presence of the current and past officers of the District.

## HISTORY OF THE BEATRICE HOWARD CHARMOND CLUB

"The Club was originally known as "The Charmond Club", organized by Mrs. Beatrice Howard in the year of nineteen-hundred-fifty-two. Mrs. Howard served the organization par excellence for many years; thus at her decise the name of the club was altered to become known as the BEATRICE HOWARD CHARMOND CLUB.

The club has since produced some renowned clubwomen, who have added and given much to club work over the years.

The roster of past officers and members is very impressive in this respect, perpetuating activities such as those of Mrs. Beraice Tolmire; Red Cross Blood Bank Worker, Sponsor of the Del Sprite Girls, CNDA Registrar, Life Member of the National Assoc. of Club Women and Girls, Scholarship Board Member, Sponsored two Sub Debs, and past President of club.

Another profile is that of Mrs. Fannie C. Irving, also a past president of the club, serving in that capacity for four years, sponsored two debutantes and one Sub-Deb in the CNDA Cotillion; Tags for Provident Mospital Fund, IACWC Life Member, Fourth Vice President of IACWC, Past Chairperson of National Notes, Ticket Chairperson of IACWC Musical Extravaganza N.D. A doner to the CNDA Book Shelf at Northeastern Illinois University for inner city studies; past Supvr. of Young Adults Dept. CNDA, member of the Board of Directors, CNDA, member of the Widows' Club, and at present Statician CNDA incumbant.

This is but a small portion of the profile of the members, the amount of their contributions are too numerous to stipulate, but they have "LIVED" them.

The financial efforts were teas and luncheons, the highlight of the Club was, "The President's Fiesta", honoring the First President, Mrs. Minnie Watson and Mrs. Mayme Williams, for whom the Club was named, and who, at that time, was the 25th President of the District (C.N.D.A.)

The Club has had five presidents. They are:

Mesdames: 1st. Minnie Watson, 2nd. E. Nightengale Scott, 3rd. Trilby Thomas, 4th. Ada Parish and 5th. Ollie Jones, elected in 1967.

All the presidents were mindful of the obligations to the organizations and were able to keep the banner afloat. Under our present administration, we are growing in strength and have had wonderful success. We are endeavoring to uphold the objectives of the organization and reaching out to other needy causes. We

have a life membership in the N.A.A.C.P. We have sponsored debutantes and sub debs in the cotillions. Our members are willing workers, and mindful of one another with a bond of Christian Love and Fellowship.

Our President, Mrs. Ollie Jones, has served four two-year terms (8 yrs.), is a member of the C.N.D.A. Bd. of Dir., and is also co-chr. to the Board of Managers. Mrs. Jones also is a life member in the National Assoc., and has served on many committees.

### SATELLITE CLUB

On a cold winter night in December 1956, the following ladies met in the home of Mrs. Mildred Caldwell: Mrs. Mildred Weaver, Mrs. Lenora White, Mrs. Genice Lowery, Mrs. Velma Bibbs, Mrs. Victoria Evans, Mrs. Jane Hayes, and Mrs. Naomi Preston.

Out of this meeting, a club was organized with the following elected officers: Mrs. Mildred Weaver, President; Mrs. Jane Hayes, Vice President; Mrs. Lenora White, Secretary; Mrs. Naomi Preston, Treasurer; Mrs. Genice Lowery, Business Mgr.; Mrs. Mildred Caldwell, Mrs. Victoria Evans, Mrs. Velma Bibbs, Sergeants at Arms.

After various names were considered, it was a unanimous decision that the club was to be known as the Satellite 8's Saving & Social Club. This seemed to express the new, exciting, and daring age of 1957. Furthermore, it was decided that the Satellite Club needed a Space Man. This honor was bestowed upon Allen Carney, who served in this capacity for two years. The club disbanded in 1960, but we were so unhappy that we continued to meet monthly, or a few of us, and under the guidance of Mrs. Jane Hayes, we re-organized in 1961. Officers as follows: Mrs. Jane Hayes, President; Mrs. Legora White, Vice President; Mrs. Amanda Fountaine, Secretary; Mrs. Naomi Preston, Treasurer; and Mrs. Mildred Weaver, Business Mgr. Over the years we picked up and lost members from time to time, but Mrs. Hayes, Mrs. Weaver, Mrs. White, Mrs. Caldwell, and Mrs. Preston remained loyal club members.

Mrs. Hayes was never happy with "just a Fund and Fun Club for ourselves", but was always interested in others, especially our youth, being ever alert to "Lift as We Climb". We disbanded as a Social & Savings Club in December 1963 and immediately re-organized as a Federated Club of the Chicago Northern District Association and renamed our club the "Satellite Cultural and Civic Club". President of the Chicago Northern District Association - Mrs. Myrtle A. McKenzie, Membership Chairman, Mrs. Margaret Sparks. We added to our rosters as members: Mrs. Betty Hamer, Mrs. Helen Glenn, Mrs. Anna Bass, Mrs. Martha Berry, Mrs. Oneita Woods, and Mrs. Montgomery. Since 1963, we have added as members: Mrs. Mary Givens, Mrs. Bernice Connors, Mrs. Delores Hayes, Mrs. Clara Jones, Mrs. Opal Johnson, Mrs. Mary Rice, Mrs. Esther Hutcherson, Mrs. Charlene Newman, Mrs. Louise Chester, and Mrs. Abbi Jenkins.

### THE ALFREDA WELLS DUSTER CIVIC CLUB

Organized 1960

### By Grace Lee Stevens

The Alfreda Wells Duster Civic Club was organized in December, 1960 by Grace Lee Stevens. A group of professional and business women wanted to form a club. Mrs. Stevens wanted to return to the C.N.D.A. the name of Ida B. Wells, who organized the first civic clubs in this country and in this city, who was the "cause celebre" of "The Call" by Josephine St. Pierre Ruffin in 1893, and the subsequent founding of the National Association of Colored Women, Inc.

She chose the name of Ida B. Wells-Barnett's daughter, Alfreda Duster and inserted the name Wells, to form the Alfreda Wells Duster Civic Club.

The first president was Mrs. Frances Moore, who had been an ardent member of the Girls' Division and the Young Adults in Springfield, Illinois, and who had experience and dedication to the Federation. Under her leadership, the Club formulated the policies of supporting civic, educational and cultural events as the members were working full time.

During the fifteen years, the Club has sponsored young musical and dramatic talent, giving exposure to those gifted but not well known; has supported the educational television station of Chicago W T T W, with money and with our public relations and publicaty director, Della O. Wylie, recruiting voluntaers and serving on the telethons, auctions, membership drives, etc.; supported the United Negro College Fund each year by being sponsor for the Ebony Fashion Fair: supported the Chicago Defender Charities with gifts and financial support and service at distribution times, with Della O. Wylie serving and recruiting volunteers; planned trips and tours of educational and recreational value; maintained a social service fund at the Woodlawn Child Health Center for emergency needs of clients who otherwise would not be able to buy medicine, food when checks are late or when prescribed diets could not otherwise be maintained; aided needy families when emergency crises have arisen; sponsored contestants in the Black Teenager Contests; supplied chairmen and co-chairmen of departments of the C.N.D.A.; and supported other clubs in the Federation at their affairs.

In 1970, combining the tenth anniversary of the Club and the publication of Crusade for Justice: The Autobiography of Ida B. Wells by the University of Chicago Press, a celebration was held at the Center for Continuing Education of the University of Chicago to which all Clubs and the public were invited. Alfreda M. B. Duster, daughter of Ida B. Wells-Barnett, who edited the book under the direction of Dr. John Hope Franklin, autographed copies of the books. Grace Lee Steven was Guest of Honor. Miss Jessie Mae Mitchell was chairman of the affair.

Under the present leadership of Myra Rogers, president, and with new members, the Club has surged ahead in many fields. Miss Joan Byas chaired a Festival at the Parkway Community House where homemade and hand crafted articles were displayed. Mrs. Osceola Powell chaired an interesting trip to the Amish Village in Nappannee, Indiana.

Our President, Mrs. Myra Rogers, has recently been elected as President of the Presidents' Council of the C.N.D.A. Our past president, Mrs. Georgia Rowell was formerly secretary of the Presidents' Council.

Our presidents have been:

Mrs. Frances Moore, 1960 - 1962 Mrs. Della O. Wylie 1962 - 1964 Mrs. Claudia Thomas 1965 - 1967 Mrs. Alfreda Duster 1967 - 1969 Mrs. Georgia Rowell 1970 - 1972

Mrs. Myra Rogers 1973 - 1975

Mrs. Della O. Wylie has been and still is public relations director for Miss Black Teenage Illinois State Pageant, Inc.

Mrs. Wylie has kept a most interesting scrap-book of all activities of the Club since 1960 and will be happy to show it to you if you would like to see it and supplement items that are here itemized.

Mrs. Wylie is coordinator for the entire South Side in the annual membership drive of W T T W and has won substantial awards for her efforts in this capacity. She has kept the Club prominent in the Black Pride campaign of the Chicago Daily Defender.

If you have any further questions, please contact Mrs. Della O. Wylie, (who is co-chairman of C.N.D.A. public relations and publicity with Mrs. Gertrude Johnson Williams) or Mrs. Alfreda M. B. Duster.

The first session was held in Peoria, Friday March 22, 1918 at Ward Chapel A.M.E. Church. Sixteen Central Illinois Clubs were represented at this first session.

There were twenty-seven women present at this first session. It was a one day meeting. The State organizer Mrs. Elizabeth Lindsey Davis gave good advice and instruction to the delegates and Central District was on it's way.

At the second session held in Macomb, the colors of purple and gold were chosen. The motto, "Onward And Upward". Two new officers were added, Chaplain and Organizer. # President of Central District

Mrs. Luvada Hunter, Central District Ass'n, Bloomington, Illinois.

I joined Domestic Art Club in 1937. Mrs. D.S. Thomas was President. I worked with the club for several years doing charity work in the community as much as I could for I was raising a family and could not attend all the meetings at this

time. As time passed on, included in the Domestic Art Club's program was parliamentary procedure, governed by Robert's Rules of Order. In the late forties, I was sent as a delegate to the District meetings and also the State meetings.

I have been elected President several times of the Domestic Art Club. I was elected President in 1950 to 1951. The Domestic Art Club continued its charity work throughout the community. Our projects were donating money to the Twin City Recreation Center of Bloomington, 318 So. Main Street. Giving baskets of groceries to needy families. Sending cards to the sick and also sending flowers to bereaved families. We continued to have different programs and our dinners to help meet our club's obligations to the District and State Association.

I was elected President in 1950-1951. The Domestic Art Club and the Colored Women's and Emily Wilson Girls Club was hostess to the 52nd Annual Session, June 17 to June 20, 1951. The Association meeting was held at the Unitarian Church, 209 N. East Street, Bloomington. The I.A.C.G.'s assembled at the Twin City Recreation Center, 318 South Main Street, Bloomington, Illinois. Mrs. Etta W. Jackson, S. D. of Carbondale, Illinois was President. This was a great session.

In 1957 and 1958, I was elected President of Domestic Art Club again. Our motto was Lifting As We Climb. We continued to work hard in the community, letting them know more about affiliations with our District and State and our obligations. We worked toward raising money for the Hallie Quinn Brown Scholarship Fund, State Musical Extravaganze, Ways and Means, Fredrick Douglas, A. L. Anderson Memorial and also our National Headquarters.

Our meetings were held on Friday of each week. Every third Friday we had Literary Day, inviting our friends to the program. We had programs on Good Friday each year at Wayman A.M.E. Church, 804 North Center Street, Bloomington. Mrs. Ruth Riley, who is now deceased, was the chairman. We had our annual chicken dinner in June of each year, and sold Katherine Eeich candy, rummage sale and bazaar in November. The ladies made many articles to be sold. The money taken in this year enabled us to do our charity work in the community. This was a year of many bereavements among negros in which our club donated money to the families. We helped a mother to help her son by donating \$25.00 to her. September 27, 1958, we donated \$25.00 to Miller Park Restoration program in Bloomington, Illinois. We also contributed to the N.A.A.C.P. and National Headquarters \$10.00. We made place cards for the Brokaw Hospital, St. Joseph and Menonite Hospitals for Thanksgiving that year. We held our Christmas party and annual Valentine Tea. The club sent me to State Convention held in Bloomington that year and the midyear Board of Central District as delegate to Moline, Illinois.

Club History Big Sisters Club

The Big Sisters Club was organized in 1913 in Decatur, Illinois with ten charger members. The Club adopted "Lifting as we climb" as its Motto and chose the co colors green and white; green for life and growth and white for purity and unity. The members decided and agreed that their objective for coming together was for Charity to dependent women and children and social uplift.

Negro women coming to Decatur from the south needed help in adjusting to the customs and traditions of the community. These women often needed advice and encouragement in getting familiar with the school system, Churches, and other social problems. Sometimes financial aid was badly needed. The Big Sisters became known and sought out for their generous acts of kindness and charity.

During World War I and between 1920 and 1930, many young women, restless because of broken homes, arrived in Decatur penniless. Some became involved with the law officials because of their conduct. The Big Sisters Club proved to be the Big Sisters these women needed. The Big Sisters Club provided money, Transportation, and shelter for some of these women, until they could contact their families.

The Big Sisters Club grew and in a few years the club limited its membership to 25 women. During its early years the Big Sisters purchased a home in the North part of the City and rented this dwelling to the low income families and destitute people.

The operation of this home and the plans for a permanent home for dependent children was largely credited to Mrs. Lillian E. Jamerson, who was the wife of a  $A_*M_*E_*$  Minister. Later following Mrs. Jamerson's death the home was named for her.

Social life for the Club members was encouraged. Each year the club held a May Breakfast, this was an outstanding social function for the Negro women in the latter part of World War I and in the early twenties. During the presidency of Mrs. Bernice Wheatley the May Breakfast was changed to the Breakfast in Hollywood and it is celebrated each year.

A life membership was taken by the Club in the Macon County Hospital during its drive for the expansion program in the early forties. When St. Marys Hospital began its city wide drive for funds for the new Hospital on Lakeshore Drive in Decatur, Illinois, The Big Sisters contributed \$100.00. The women of the Big Sisters Club are alert to the health needs of the Community. The Club encouraged the licensed practical nurse program through the approved school in Decatur with a contribution of \$50.00, which was given directly to the scholarship loan

fund. The Big Sisters has consistently participated in the Decatur and Macon County Tuberculosis surveys, which are made periodically. Contributions are made annually to the Cancer Society. The County Tuberculosis and Visiting Nurse Association, and the Red Cross. Past Presidents now living are Anne Rogan, Rosa Hood, Sylviaene Travie, Gladys Gordon, Christine Hood is now holding the office of President.

Mrs. Heneritta Ellis, past president of the Illinois Central District of Club Women Incorporated, was a member of the Big Sisters and she wrote the history of the Big Sisters Club, which was later compiled into book form by Mrs. Elizabeth Lindsay Davis.

In 1964 Big Sisters Club - Contributed \$100.00 to Y.W.C.A. Building Fund. Contribution are made annually to the N.A.A.C.P. Heart Fund and Salvation Army. The Big Sisters have bought Membership for boys in the Y.M.C.A. Have rented school books for students. The Big Sisters sponsor the Jr. Auxiliary The Little Sisters. The Little Sisters has a membership of 13. They are having their first style Show and Patron Tea April 17, 1966. The Big Sisters Asst. Secretary send 313 Sick Cards and 83 Sympathy Cards from April 15, 1965 to March 30, 1966. This brief history has not done justice to the many deeds performed by The Big Sisters Club of Decatur, Illinois.

## DOMESTIC ART CLUB - Bloomington, Illinois

The Domestic Art Club of Bloomington, Ill., was organized December 6, 1915 by Mrs. Margaret Wyche with a membership of eighteen women who had been impressed with the necessity of such an organization as a means of individual and community service.

The first officers chosen to serve the club were: Mrs. Malinda Smith, President; Mrs. Margaret Wyche, Vice-president; Mrs. Mollie Wright, Secretary; Mrs. Lula Caldwell, Treasurer.

Two of the members have been taken by death, and the present membership is forty-eight resolute and active women working to the motto: "Loyalty to Women and Justice to Children".

The club came to a community of many earnest and capable women, who through lack of organization, found it impossible to reach their highest efficiency. It's organization has meant concerted aim and the end of duplicated effort.

It has been shown that this club is one of the infant organizations of its kind in the state, yet it stood the acid test of war time community service in such a satisfactory manner as to endear itself to the community at large without respect to race or creed.

In connection with this service, the club maintained one of the most creditable booths at the Red Cross sale with all the articles therein donated by its members.

The club is a member of the community council with Mrs. Margaret Wyche as delegate and Mrs. John R. Ford, alternate. During and since the war the white people of the city have made no move for relief or betterment among the colored people without consultation with these representatives of the Domestic Art Club.

The club has brought a better understanding and more hearty co-operation between

the races; it has opened doors that had previously been closed. The following incident is significant, - on many previous occasions members of our group had sought in vain the previlege of using the high school auditorium for entertainment purposes, but the members of this club through Mrs. Wyche, their community council delegate, made application to the superintendent of city schools in 1918 to use the auditorium of the high school for the purpose of giving a musical entertainment in which professional artists would appear. The superintendent, Mr. Jake Stapleton not only allowed them to use the building without charging a rental, but had a proper committee to communicate with the federal authorities resulting in the war tax being remitted.

The co-operation of the white ladies civic league has been notable. In the early days of the organization these ladies organized a class of domestic science at the day nursery and furnished a teacher for the special benefit of the Domestic Art Club. This class was maintained for a period of two years proved a blessing to the women who availed themselves of its privileges.

The delight of this club is to do for others. It raises about two hundred and fifty dollars per annum for charitable purposes and has been happy to furnish relief at home and abroad, having even assisted the unfortunate members of our group who were victims of the recent atrocities in Arkansas.

This club has contributed useful help to the state work in the person of Mrs. Margaret Wyche, who has been one of the vice-presidents of the State Federation and at the present time is chairman of the Monrovian Mission Fund.

Mrs. Malinda Smith was president from 1916 to 1917 and Mrs. Margaret Wyche served as president from 1918 to 1920. In 1921, Mrs. Alberta Fields was elected President of Domestic Art Club and Mrs. Clara Grigsby, Secretary. Mrs. Fields said there is much to labor and great reward in prospect.

This club is now one of the few associated with State and National Federation.

As time passed on the Domestic Art Club kept its charity work in full support of the needy throughout this community.

Domestic Art Club was the first to win the Lena Waters Hall Scholarship trophy of Central District Illinois Association of Club Women. This large trophy cup was won by the club first in 1925, 1926, 1928 and 1945. In 1945 Mrs. Cornelious Chocklate was Scholarship Chairman of Domestic Art Club and Mrs. Denie S. Thomas was President.

As some of our pioneer members passed on and new members came into the club, we continued to carry on the charity work in our community. Our last charter member, Mrs. Clara Grigsby Anson died March 7, 1969. In more recent years several women has served as Domestic Art Club President. Naming a few was Mrs. Clara Anson, Mrs. Luvada Hunter, Mrs. Minnie Kirksey, Mrs. Lucille McGee, Mrs. Anna Clark, Mrs. Flora McCleandon, Mrs. Harriette Allen and Mrs. Catherine Poole.

We have become straight forward knowing "It is No Secret what God Can do". We are one as we encourage more clubs to be organized among our women and our young knowing the greater strength in our program the greater the union we must combine our arts and skills. But above all we are one because we have not forgot to be kind to our fellowomen regardless of race, color or creed. We sing loudly the words of the Immortal James Weldon Johnson; God of our weary years; God of our silent tears.

Thou who hast brought us thus far on the way

Thou who hast by thy might, led us into the light

Keep us forever in the path we pray.

Lest our feet stray stray from the places our God where we met thee Lest our hearts drunk with the wine of the world we forget Thee Shadowed beneath thy hand, May we forever stand,

#### ADA LUM WALTON'S CLUB HISTORY

Member of Local Council, District State and National organizations. Over 40 years. Has served all offices in Local and Council and all except treasurer in District and State. Past State President, Junior Sup., Parliamentarion, Asst. Secretary, Correspondence Secretary, Recording Secretary, Chairman of Executive board Vice President and President of Southern District, and I.A.C.W. State Chairman of Scholarship Fund, 4 Years. Member of National Committee of Education, National Chairman of Transportation, Secretary of State President's Council, Camp Director 3 Years, Central Regional Registrar, one year Central Regional and State Financial Secretary 2 years. Now serving as treasure of Council Member of Board of Directors, (State).

The I.A.C.W. advanced into the administration of Mrs. Ethel Lewis of Alton, Illinois, the newly elected president. She began in Carbondale in 1918. First centering her attention in the Girl's Dept., teaching and training them in the community that lead to the values in Christian and religious training and also civic and social and moral activities pertaining to a better life.

Coming to Alton in 1933 I was among many dynamic Club workers whom I had met at our convention. I dropped my "bucket" here and have enjoyed the work and contact with church and club women.

The cooperation of so many fine women with a mind to solve the many problems of their various communities made a pleasure for us to meet in the mid-year board meetings report our Local, District, State, and National dilemas.

Financially at every angle was calling for help. The many drives were met brevely. Our Headquarters R-St Washington D.C. had its Douglass Home(Cedar Hill) in dire need of repair.

Our National President Mrs. Rosa Graggs asked that the states have a contest to see what state could raise the most money also, offering first and second prizes, naming mid-year National Board 1962 as the close of the contest. Many states deemed it hopeless to compete. It was under the chairmanship of the late N.A.C.W. Past President Mrs. Irene Gaines rallied for Illinois was second with \$1529,68-we did our share!

Meanwhile in our state we were not neglecting to study our local problems. Sex Right to Live, Racial confusing, the care for children of ADC Mothers etc. Under the alert leadership of Mrs. Mayme Mason Higgins who was State worker out of Chicago who presented a workshop on Mother's homes and Child reported to our State convention by the use of slides and T.V. stories to alert the delegate to the improvements in racial and human relations. While our nation was settling with racial hate, delinquent children, school intergration, the organization did not lose heart, but ended 1962 with 8 new senior clubs, the organization of a young Adult Dept., under the sponsorship of Mrs. Lottie Killion of Alton.

Much praise can be given to the sincereand thoughtfulness of the clubs of Illinois. "And only the Master shall praise us, And only the Master shall blame, And no one shall work for money and no one shall work for fame, but each for the joy of the working And each in his separate star, Shall draw the thing as he sees it. For the God of things as they are."

The administration of Mrs. Ethel Lewis ended with the election of Mrs. Minnie A. Lee, of Chicago as the next President.

Mrs. Reba L. Hill, born and reared in Metropolis, Illinois received her Education there and graduate of Walker Business College in St. Louis, Missouri; also Walkers Beauty School.... served as Southern District President 1962-64 State President from 1966 - 1968. Under her administration she reactivated the Mother Home and Child Department by having each Club Adopt a child and much was accomplished for these children. Honored all club presidents with special tribute paid to each president, with the young adult portraying the work's of each president each president was presented with a gift each year she served. Honored all club presidents past and present in Northern, Central and Southern Districts with re-dedication services. Sponsored an umbrella trot under the able leadership of the Late Mrs. Jessie Tyson who raised enough money to pay for two hide a beds for the Illinois Room at the National Headquarters.

Saturday, June 17th to 21, 1967

To: Past President, Officers, Members of I.A.C.W.

One year ago I was elected as president of this great body. I accepted it with deep humility and a prayer that I would be able to fulfill the many obligations and duties that go with this office.

I assure each of you that I have enjoyed every minute of it and my faith in women has increased, because you have been so very kind to me.

The beautiful cards and letters of cheer you sent when I had the accident were most comforting.

I have tried to fill as many of your requests as humanly possible. I contacted all chairmen of committees and I am sure they have done their best to cooperate in order to bring us some worthwhile reports.

We are still stressing disadvantaged families and culturally deprived children. Let us keep in mind our organization was founded to lift as we climb, and unless we carry the underprivileged along with us our efforts will be in vain. They should be reminded of the importance of self reliance, education and cleanliness.

Our theme, "The Role of Federated Club Women in the Challenge of Change", should arouse us to the many challenges that are confronting us. Despite long efforts of attempting to secure integration in public schools and all places the battle has not been won. Clubwomen, we must let our voices be heard until freedom . rings for all.

Again I ask you to tell the story of the Association. Sing it loud and clear so our boys and girls will remember that the things they enjoy today are theirs to enjoy because a group of Negro women felt that it should be, and they fought valiantly to leave them a heritage. They should be told about Mrs. Mary Church Terrell, Mrs. Booker T. Washington, Harriet Tubman, Mrs. Sallie P. Stewart, Mrs. Mary McLeod Bethune, Mrs. Hallie Q. Brown, Mrs. Christine Smith and others.

Then we should tell them of the women who have kept the torch burning for us. Dr. Rosa Gragg, the late Mrs. Irene Gaines, and our charming national president Mrs. Mamie B. Reese. Last but not least our past president of the Illinois. Association must be recorded because they kept the torch burning for Illinois. Some have passed into the great beyond but we cherish their memory. Our members still with us supporting our cause are, Mrs. Etta Jackson, Mrs. Luaco Gladden, Mrs. Ada L. Walton, Mrs. Ella Mitchell, Mrs. Fannie O'Bannion Mrs. Ethel Lewis, Mrs. Alice Foy and Mrs. Ruby Edwards. Because of the esteem we hold for these

In 1972 Daisy L. Fair of Alton, Illinois was elected the 37th President of the Illinois Association of Club Women and Girls, Inc. The theme was "Utilizing the Lifting Power of Women". The primary concern the first year was "The Cause and Prevention of Crime". The big gain in the concern was getting each person to realize her responsibility in the reduction of crime. The biggest gain was, it was the beginning of a campaign in which many of the ministers based a Sunday sermon on the subject.

The Mental Health Program, our second concern was revolutionized through the tremendous work of Dr. Ruth Allen Fouche, State Chairman and also a National Mental Health Chairman.

The year's work began with a Board Meeting in Bloomington, Illinois with Ruby Edwards as the capable Chairman. The purpose of the workshop was preparation for more efficient leadership and better trained club women in their respective Associations and communities.

## The Home Study Club

The "Home Study Club" is the oldest Federated Club in East St. Louis. It was organized in 1910. A few housewives often found life inadequate because of the lack of something to do.

Mrs. Carrie Bowles, the wife of Mr. B.F. Bowles the High School Principal, Mrs. Addie Brown, the wife of Prof. J.D. Brown, the Principal of the Garrison School, with a few other ladies decided to establish a Cultural Club, to give the ladies something to do as something to improve their mind. The name given was, "The Home Study Club."

The membership fee of the club was .10 a month. In the year 1963 the fee was \$1.00 a month. The meeting time was to be on the second Saturday of the month from September through June. The hours for the meeting was from 2:30 to 5 P.M. The serving was to be simple and inexpensive.

There was a hostess for each month. In the Year Book 1912-1913 the following members were in the club: Mrs. Addie Brown, Miss Emma Edwards, Sec'y, Mrs. Hattie Anderson, Treasurer, Miss Louie Cleveland, Mrs. Carrie Bowles, Miss Maggie Freeman, Miss Idella Phillips, Miss Daisy Hood, Miss Louie Cummins, Miss Viola Dorsey, Miss Fanny Jones, and Mrs. Jettie Sharp. The "Home Study Club" was the first organization in this city to observe Negro History. Under the administration of Miss Cora Childs we had Dr. Carter G. Woodson, who was the organizer of the project as our guest speaker. We also had Dr. Lorenzo Green, then the President of Lincoln University as our guest speaker. We also had Dr. Herman Dreer who has specialized in this subject for our guest speaker. Instead of having a Christmas Party for ourselves, we decided to pool our money and give it to the less fortunate. We selected four families, and gave them Christmas cheer. We also brought food and filled baskets and gave them to unfortunate families.

During our organization, we have had many presidents. Some have served for more than one term.

#### HISTORY OF THE CIVIC CHARITY CLUB

Throughout most of history, caring for the needy and underpriviledged has been the province, indeed the responsibility of the church. Such a task often overwhelmed the church, and it was at such times that well-meaning individuals and groups of individuals offered their assistance.

In 1924 few negro churches possessed the wherewithal to dispense charity, and no Governmental Agency existed: So the task of caring for the less fortunate was assumed by a dedicated group of 12 women whose motto, "helping others", became the foundation and cornerstone of their club -- The Civic Charity.

Founded April 14, 1924 by the late Mrs. A. J. Hoover and other spirited women, The Civic Charity Club is one of the oldest continuously active federated clubs in the state. Led in the beginning by the late Mrs. Annette Officer, who later served as state president, the club has had a varied history of helping needy individuals and families who were ineligible for public charity.

The club has also affiliated with, (either as members or as solicitors in the campaigns,) of The Red Cross, The Heart Fund, The Cancer Fund, The United Fund of East St. Louis, The NAACP, Core, The Cerebral Palsy Drive, and the Annette Youth Center.

The Civic Charity Club has not only been an asset to the greater East St. Louis Community, but from its ranks have gone many members who have served meritoriously as district and state officers. With only two charter members, Mrs. Addie Allen and Mrs. Claudia Barbour, still active; the club, with the help of many veteran and new members is still practicing in its 42nd year its motto of "Helping Others."

Its present roster consists of: Mrs. Gracie Little, Pres., Mrs. Mary

Saverson, Vice Pres., Mrs. Addie Allen, Sec., Mrs. Lillie Hunter, Asst. Sec.,

Mrs. Lula Patton, Treas. and Mrs. Maude Logan, Parliamentarian. Members are:

Mesdames Elizabeth Anderson, Roberta Aycox, Claudia Barbour, Rosie Green, Reba

Hill, Myrdis Lockett, Janie McClellan, Beatrice Neely, Ann Prowell, Rose Randall,

Sarah Stone, and Freddie Williams.

#### Carbondale Community Club

The Carbondale Community Club was organized in 1918 by the late Mrs. A.L. Anderson, who was the State President at that time, and the late Mrs. Carrie Lee Hamilton State Organizer.

The purpose of the club is civic and charity work. Motto-"We live to serve". For 48 years we have been an active member of the District, State, and National organization, meeting all obligations, heading the list, Scholarship Loan. Our contributions have been numerous. During the war years, we worked closely with the Red Cross, in War Bond drive and volunteer hospital service. A few charity contributions, aid to the sick and shut-ins, milk to needy school children, dinners to the lonely and aged, and assistance to the handicapped. Donations to United Fund, cancer, heart, palsey, and all important area civic projects. Throughout the years we have fostered Girls Clubs, promoting educational, religious, and social programs for youth welfare. Each month a Major Department presents a program with an informative speaker and material on the subject, which is an invaluable service to the members.

The Carbondale Community Club has been host, at two different times to the I.A.C.W. & G's, on both occassions we were landed for our excellent service and entertainment. We are proud to relate that two of our club members are Past State Presidents, Mrs. Hannah A. Woods serving in 1941--1942, and Mrs. Etta W. Jackson in 1951-1952, Mrs. Jackson is also Past National Parliamentarian 1960-1962. Many of our members have been elected to an office in the State and many

have served on important committees in the State and National organization. Our illustrious women have given, and are still giving valuable, untiring service.

#### HISTORY OF THE VIOLET

THIMBLE CLUB, EAST ST. LOUIS, ILL.

In March 1916 eight ladies met at the home of the late Mrs. Lovie Adams to socialize. Bach brought embroidery work. In this meeting they decided to organize a club, their objective to be needle work.

As March was the month of violets the club was given the name, Violet
Thimble Club. Officers elected, Mrs. Mary Chears President, Mrs. Luaco Gladden
Secretary, Mrs. Cora Hughes Treasurer.

Meeting days decided: first and third Thursday of each month.

The membership grew to twenty four, which was the limit at that time.

There were a number of deserving boys and girls who desired to go to College after completing high school, but were financially handicapped, therefore, the club decided to give a donation toward a scholarship once each year.

Our first financially effort was a fashion show which was the first to be given in East St. Louis, The show was produced by the late Emily Willis, This

was an annual affair.

Money from these affairs was used to help to help two girls through college.

In 1924 the club became affiliated with the Illinois Federation of Colored Women Clubs, which neccessitated more financial obligations, We now pay scholarships through the state.

The Violet Thimble Club was responsible for naming of Lincoln Park.

Feeling the need of closer fellowship with other clubs of the vicinity, Mrs. Luaco Gladden and Mrs. Annette Officer members of the Violet Thimble Club helped to organize the Council of Clubs. This organization is now federated with the state. In 1946 a girls club was organized.

The club has the honor of producing two state Presidents one of which has also served as a member of the National scholarship committee.

The club also have a member now serving as State Parliamentarian. Some of the members give voluntary service to all Civic Organizations.

The club takes cheer to all Senior Citizens at the Convalescant Home at Christmas.

This year we are celebrating our Golden Anniversary and are honoring two charter members. Mrs. Luaco Gladden and Mrs. Helen Jackson.

History of the Carpe Diem Club

Du Quoin, Ill.

Several years ago, Mrs. Ruth L. Bennett, wife of the pastor of St. Paul Baptist Church, had lived in other towns where the women and girls had organized clubs, and she saw the need of it here. She sent for Miss Hallie Q. Brown, the State Organizer, who came and organized a club here, in the home of Mrs. Matilda Bolden, and thirty-six women attended. Officers elected were:- Mrs. Ruth Bennett, President, Mrs. Cordelia Holmes, 1st. Vice-President, Mrs. Marah Winston, 2nd. The greatest desire was to buy ground, build a club house to have our meetings, a place where children could play while mothers sewed, mended or embroderied. At one of the State meetings Miss Hallie Q. Brown did not remember of organizing the club, so the members decided to change the name. They decided on Carpe Diem, a name brought in by Mrs. Mamie Owens, Carpe Diem meaning to serve the present day. Our greatest achievement is the Scholarship Fund. Mrs. A.L. Anderson was the originator of the Scholarship loan in 1921. While in a meeting in the home of Mrs. Leola Jones a though came to Mrs. Ann L. Baxter to purchase the home of the late Mrs. A.L. Anderson. The members were pleased with the idea, and a committee was appointed to see what could be done. Owing to the illness of the President at this time, the Vice President Mrs. Helen B. Peters appointed the committee Mrs. A.L. Baxter, Mrs. Jessie Milton, Mrs. Marvela McPherson, Miss Daisy Weaver, and Mrs. Peters. On July 9, 1961, the club burned the mortgage of the Anderson Memorial Home. We assist in all the city projects such as: Cancer, Tuberculosis, Mentally Retarded and Hemophelia drives. We belong to the State and National Clubs. We have an Annual sermon each year. The Anderson Memorial Home is used for Lodge meetings, Recreation center for Youth, N.A.A.C.P. meetings, Voting center, and District Boards meetings. Mrs. Helen B. Peters a member of this club is the District President of Southern Illinois District from 1964 to 1966. We have a list of 25 Past Presidents with 7 living and 18 passed.

This committee should have been among the newly elected officers. Sick committee appointed Mrs. Cordelia Holmes, Mrs. Alice McCalaster, Mrs. Lue Smith, Mrs. Nettie Wilburn, and Mrs. Mattie Reddick.

The Mildred D. Sherrod Federated Club was organized in Mr. Vernon, Illinois, on April 1, 1945, by Mrs. Mildred D. Sherrod of East St. Louis, Illinois, who was then the president of Southern District of I.A.C.W. Mrs. Viola Johnson was elected to be the first president of this club, which has maintained an average membership of twenty fine women, serving as officers, supporting the club, and fulfilling our Motto-"Lifting as we climb." The Club is dedicated to active service in Civic affairs and all outstanding community projects. In 1947 special recognition was given to the club for launching a drive, in which \$1000 was raised and contributed to the building fund of the Good Samaritan Hospital of Mt. Vernon. The 1965 project was a drive to assist the new Y.M.C.A. and Youth Center funds.

In September, 1958, the Club elected Mrs. Maggie Armstrong as supervisor for a girls' club, and she organized the Mildred D. Sherrod Jewels, with the assistance of Miss Bella Claybrooks of Centralia, the Southern District Supervisor of Girls. Miss Jeanne Wright was chosen to be the first president of the girls' club, which continues to be an active organization for the youth of the community.

The Variette Cultural Club was formulated in the mind of Mrs. Reba Hill, past Pres. of Southern District, because there was no young adult womans' club in East St. Louis, Ill. It was organized in the year 1961 at the home of Mrs. Reba Hill 2210 Bond Ave. in East St. Louis. Mrs. Helen Mason of Centralia, Ill. met with us on our organizational day to explain the purpose and function of a womans' club.

Mrs. Freda Phillips served as our first president from April 1961 to June 1963. We had 8 ladies to become club women. At present, Mrs. Mammye Davis is our president and we have 13 club members.

Since our organizing, we have tried to carry out the motto of club women "Lifting as we climb". We have aided needy families and presented cultural excursions and projects for the children and youth of our community.

### HISTORY OF FEDERATED UNITY CLUB

We really believe that some of us at this very moment are wondering---What is a Club?----And why have one? Well, we will say that "A Club is a
fellowship of women and girls united for service in lifting the standards of
the home, and extending their services to help make a better community in which
to live. Therefore our motto of the Federated Unity Club is "Loyalty to
women, Justice to children, and Lifting as we climb."

April 21, 1921, one of our own, Mrs. Mamie Lowry was so inspired that she wanted to do something toward Club Work. As far as has been known there were no Federated Civic Clubs in Alton, Illinois. Mrs. Margaret Wyche of Bloomington, Illinois, state organizer, happened to be in Alton at that time. Mrs. Mamie Lowry asked her to organize a Club. And she did. And our Club was named the Federated Unity Club. Mrs. Mamie Lowry, now deceased, was the first president. She went to the State Convention and came back fired up and inspired to build an Old Folks Home. During her administration of  $2\frac{1}{2}$  years, she, with the membership worked hard securing funds here and there for her "Pet Project."

Mrs. Edna Turner, deceased, succeeded Mrs. Lowry as president. And you that know Mrs. Turner, know what a hard and fast worker she was. Most any time you could see her soliciting for her Club. She served one year.

Mrs. Dora Lowry, deceased, also worked untiringly on various entertainments, trying to get money ahead on her sister's "Pet Project."

Mrs. Mary Samuels, deceased, headed our group next. We met all through the summer, rounding up members a d finance. She had to help in her husband's business and could only serve us four months.

Mrs. Emma Jackson, deceased, was next at the helm of our Organization, serving us splendidly for six years. Under her administration we bought shares in the Building and Loan Company for the Old Folks Home. We also had a Grid Iron Dinner. Various members of the Club made talks---representing the Mayor and other city officials. The Grid Iron Dinner was a hugh success. Mrs. Lucile King Burden represented Mr. Tome Butler, who was campaigning to be mayor of Alton. When ever he got up to speak, Mrs. Lucile King Burden, one of our members, would rise and speak as though she was Mayor Butler. You can just imagine the loud applause Mrs. Burden got. We also started having the Old Folks Free Dinner at Christmas time. The Club followed this procedure for many, many years.

Mrs. Carrie Breckenridge was not one of our presidents. However, we like to speak of her, because three years in succession, with the president's permission, she organized the ladies and raised \$100.00 and gave it to the Red Cross, making a total of \$300.00.

Mrs. Anna Gillis Johnson, deceased, served several terms. Under her administration, we bought a part of the Old Isaac's Farm on the Jerseyville Road---planning to build a home for our elders. We also entertained the Southern District of Federated Clubs. We bought a large book so that the Club's history would be preserved, and a Robert's Rules of Order was purchased for the benefit of the members. The Club also helped to buy a Bible for a blind preacher His name was Rev. Solomon Griswold. He was a former pastor of Salem Baptist Church of Wood Station, and he was a member of Union Baptist Church here in Alton, Illinois. The Club also hired a nurse to look after Mrs. Isaacs who was very ill. We bought her coal numerous times. Too, Mrs. Elizabeth Martin

was very ill. Dr. Cruzat wanted some one to see to it that she got fruit juices morning and evening; also nurse care. For three weeks Unity Club bought the juices and one of the members went twice a day and gave her the juices. Another member went once a day and gave her nurse care. At the end of three weeks our patient was called from Labor to Reward.

Mrs. Anna McAllister, deceased, served the Club for five years as its president. Mr. DeBow of Lovejoy, Illinois, spoke to the Club on several occasions----showing us step by step the tremendous responsibility of the up-keep of an Old Folks Home. We would have to employ doctors and nurses. We would have to have a House Mother and a janitor. The building would have to be fire proof. It would have to insured, etc., etc., and etc. So, we finally sold the land and put the money in the bank! We also celebrated the Club's Anniversary and helped the Polio Drive and fire victims.

Mrs. Lottie Wyatt Killion cautiously forged ahead and became the next humble servant of the Club. She planned by day and dreamed by night as how best to serve the Club. With the help of the Merry Hearts Club the State Convention was entertained. A committee went to Edwardsville, Illinois to get some business straightened out. That committee say to it that the Unity Club's land was separated from Mrs. Isaa's land. You see the state run a paved high way through Mrs. Isaac's land. She had the title to all the land. And this committee had to see to it that the Unity Club had a title to the part that the Unity Club owned. Also under this administration a movement was started to help diminish teen-age delinquency. Meetings were held at Alton High School and at several churches. This crusade lasted several weeks. Unity Club contributed \$5.00 toward this movement.

Mrs. Mattie St. Clair, now deceased, served well for 2 years. Under her administration, she helped in all financial drives—the Heart Fund, the Cancer Fund, Polio Fund, and fire victims——gave \$5.00 to a crippled young man, 21 years of age, who hadn't ever walked, etc.—. Baskets of groceries were given to the needy around Christmas time.

Mrs. Lucile Burden, deceased, honored the present and past officers at a "tea." She also had a corporation lawyer, Ross Ambruster, to come to the Club meeting. He was to it that our charter was amended. It could have been amended in 1944. We now can keep our same name. We can let out scholarship loans, help charitable organizations, buy property, and we can have a club house.

Mrs. Hortense Logan served us as president from 1954 through 1956, with all her heart, soul, and body. Under her administration \$40.00 was given----\$10.00 each to Polio, Heart, Cancer, and Lovejoy Scholarship Fund. The Unity Club Constitution was revised. With the Salem Aid and Merry Heart Clubs assisting, we were hostess to the Council of Clubs Breakfast. She had a membership drive and gave prizes, also a bazaar, and a Christmas party. Every time we had our Christmas party, she would buy all the prizes out of her own pocket. On retiring from office, Mrs. Logan presented each committee chairman a handkerchief corsage----and to Mrs. Lewis, the Southern District President, a beautiful personal gift. And too, others received lovely personal gifts. Of all the presidents we have had, she was the most liberal.

Mrs. Gertrude Williams as president served two years with the members backing her. Our Club with the help of the Merry Hearts and Salem Aid Clubs sponsored the October Breakfast. 150 persons were served at the Union Baptist Church. People were there from Springfield and Bloomington, Illinois. Beautiful art work was on display. Everyone patronized the Country Store. Under this administration a number of Christmas baskets were given out to the needy. Our Sinking Fund had been drawing 1% interest and the committee had the Sinking Fund put in the Building and Loan. So instead of getting \$11.00 interest, we now get \$35.00 interest each year. We also gave the NAACP \$22.00. In May, 1955, the constitution was revised. Fifty copies were printed and passed out to the members. We had a Valentine Party followed by a fish fry. We had a Memorial Service for our members who had passed. The Club voted to have their Club Picnic on June 12. A 3 Months Membership Drive was planned. Too, Mrs. Williams was named chairman of the Musical Extravaganza of East St. Louis and Vicinity

Council of Clubs. Also the Club voted to have their 36th Anniversary in May.

Under the administration of Mrs. Anita Holman, the Club joined the Organization for Better Government. And we took part in all of the Charitable Drives.

Mrs. Lalla Pickens believed in being on time. She was never late during her two years as president. Her meetings were always started on time. Under her administration we took part in all civic drives such as the Lovejoy Scholarship Drive, Polio Fund, Christmas Baskets, etc. And when it comes to being liberal, she and Mrs. Logan stand side by side. Mrs. Pickens really gives of herself more than she should.

Mrs. Lucy Swanson was president from 1961 through 1963. We will say this for Mrs. Swanson that no president before, and we believe in later years, will ever be able to measure up to her ability when it comes to raising finance.

All of our club women look upon her as a financial wizard. A unique highlight of Mrs. Lucy Swanson's administration was a program, This Is Your Life honoring Mrs. Ethel Lewis, a past state president. Her relatives from far and near were present. And a well guarded secret of their coming was a genuine surprise to Mrs. Lewis.

Mrs. Willie Ann Jones was elected president in 1963. She served four years through 1967. Under her presidency we gave \$50.00 to the NAACP, \$50.00 to the Lovejoy Scholarship Fund, \$25.00 to a student attending SIU, \$25.00 to the Red Cross, \$5.00 to a lady whose house burned down, wearing apparel and groceries to another burned out victim. We had a Musical Extravaganza at Monticello 'College, Hatheway Hall. This was the first time that a Negro Organization had ever had a program of any kind at Hatheway Hall. We cleared \$200.00. Also under this administration the Unity Club's By-laws and Constitution have been amended.

Mrs. Stella Swanson followed Mrs. Willie Ann Jones as president. She followed in the footsteps of the other presidents. Under her administration liberal donations were given to the NAACP, the Elijah P. Lovejoy Scholarship

Fund, Red Cross, and several other organizations.

April, 1971, is our 50th Anniversary as a Club. Just think of it! We have been meeting for 50 years!

We observed our 50th Anniversary on Sunday, April 18, 1971, with the late Mrs. Feanner Moore as President.

Our present Membership is approximately 23 active members. Our present President, Mrs. Maceo Simpson, serving her fourth year, accepted our "Paid in Full" Life Membership Plaque in 1972, presented by Mr. Miller Johnson, President of the Alton Branch N. A. A. C. P. Mrs. Hortense Logan was Chairlady of the financial effort for that achievement. We have one (1) Honorary Member, Mrs. Ollie Kimball and a long time Federated Member, Mrs. Agnes Britts. Mrs. Daisy Fair now Past-President of the State and our program chairman, gave three annual youth talent award programs. Mrs. Ethel Lewis, a Past State President was honored in a "This Is Your Life" presentation prepared by Mrs. Lottis Killion at a Council Meeting hostess by Unity Club. We observe Negro History Week, participate in the Council-District-State and National Projects. We have been hostess to Council Breakfast and Co-hostess to State and District Conventions.

The Late Past-President, Mrs. Willie Ann Jones, sponsored a musical extravaganza at the Monticello Hatheway Hall. Our group was the first Negro organization to present such a talent program. Mrs. Jones has seven daughters who are dedicated Federated workers.

We contribute to charitable drives, such as Community Chest, Salvation Army, Red Cross, March of Dimes, Polio, American Cancer Society, Heart Association, Elijaph P. Lovejoy Scholarship Fund, send out cheer cards and sympathy and other acts of benevolence and concern. We also collect glass bottles and jars as a financial effort. The officers are Maceo Simpson, President, Edna Houston Vice-President, Gertrude A. Williams Secretary, Daisy Fair Assistant Secretary, Edna Houston Financial Secretary, Audra Mosley-Correspondent Secretary, Nora Stewart Treasurer, Artermisher Thompson Chaplain.

The Board Members are Maggie Patterson, Florence Lakes, Wenonah Allen and Audra Mosley.

Our present president is Mrs. Feanner Moore. This is her second year as president. She is a splendid leader, continuing in our charitable projects in Lifting As We Climb. Under this president we are celebrating our 50th Anniversary with an Anniversary Tea.

No president would have succeeded in her accomplishments if the members had not helped. So, when we speak of presidential accomplishments, we mean the accomplishments of you and you---the Unity Club Members.

#### HISTORY OF THE WOMEN'S PROGRESSIVE CLUB OF MADISON, ILLINOIS

The Womens Progressive Federated Club of Madison, was organized in the year of 1923, at the home of Delia Farmer Payne. The charter members were, Alice Charlton 1st president, Ada Lum Walton 1st Secretary, Mary Smith, Mary Henderson, Roxanna Simmons, Fannie WagonerBarbers, Grace Asbrook and Annie Kinslow Barnett. The objectives were "Charity and Civic Improvement."

The Junior Federated Club sponsored by the Senior Club was organized in 1928 and named the Progressive Junior Federated Club. Mrs. Alice Charlton was the first supervisor and Ada Lum Walton and Willie G. Watts served also in the same capacity. Due to the fact that many fine women from the North Venice area became interested and joined our club and gave such loyal cooperation.

It was agreed upon in later years that we drop Madison from our title and be known thereafter as the "Women's Progressive Federated Club".

Following are some of the outstanding accomplishments of the Senior Organization down through the years.

An annual \$50.00 scholarship is awarded each year to the high school graduate with the high scholastic record and who enters a college or university to pursue a higher education. In memory to a loyal member now deceased it is called the "Annie Harris Hampton" Scholarship.

We participate in an annual charitable project in which baskets of food and fruit are carried out to the needy and shut-ins of Venice and Madison, every Christmas.

The Club initiated the idea of having the first Negro Housing project in this area named for a deceased Progressive Club member, Miss Viola Jones.

The Housing Project is locased in North Venice, Illinois and is named the "Viola Jones Homes".

Annual donations are given to the N. A. A. C. P., Cancer and Heart Funds.

Each year the club actively participates in a "Clean Up Fix Up and Paint Up" Campaign.

A summer story hour for primary children was initiated lately by the club. The results in attendance was so gratifying, it was decided that the project be an annual one.

#### The History of the Artisanz Club

In the summer of 1959 our founder's vacation spent visiting her sister was highlighted by an activety she attended while there. She was invited to attend an Integrated Conference on Juvenille Rehabilitation in a newly built and equipped ediface. The playroom for the youngsters had been furnished by members of a group of women who among other things were devoting their Club work to helping those less fortunate than they.

Thus imbued with this spirit of goodwill, Mrs. Donnie P. Moore, on her return to E. St. Louis, Illinois talked with Mrs. Bessie Matthews and with her assistance on September 19, 1959 a group of ladies met and organized this club, "The Artisanz."

The Charter members were: Medames Donnie P. Moore, Bessie Matthews, Velma Whittaker, Loraine Finley, Greunetta Coates, Nettie Coker, Stella Gaddis, Amelia Liddell, Ernestine Gillespie, Gertha Woods, Misses Mary L. Reynolds, and Adelaine Calhoun.

The purpose was to use leisure time to create projects for worthwhile use.

The name was suggested by Mrs. Amelia Liddell. The members thought it was appropriate so Artisanz we became.

An appeal came to the club from a handicapped young man, Mr. Willard

Parnell, a nephew of Mrs. B. Matthews. He was interested in receiving

information or instruction about job opportunities so that he could help himself,

as well as others, to become useful citizens.

It was then we made a stride in the direction of helping others. Our purpose became two-fold; (1) Worthy use of leisure time by making articles

(2) Using these articles as a fund-raising campaign to help handicap people or the Agencies that do so. This incident gave direction to our purpose, and we called in Mr. William William, who counseled and guided us. We were grateful. for his assistance.

Some note worthy projects have been:

- 1. Baskets for unfortunate families.
- 2. Special shoes for polio victims.
- 3. Personal visitations to confined persons with cash for personal provisions.
- 4. Dolls and stuffed toys for children Christmas party at the St. Clair Mental Health Association.
- 5. 100 Bibs for the childrens' Ward at the Doctors' Convalescent Home.
- 6. Easter Cheer for the:
  - a. The Emily C. Willar Nursery.
  - b. The Fletcher Homes for the Aged.
  - c. The Pleasant View Sanitarium,
  - d. St. Clair County Home for Detention.
- 7. Mothers' Day Remembrances with corsages or Living Plants.
- 8. Contributions to Crippled Childrens' Association through Easter Seals.
- 9. Assisting Handicapped persons to attend Religious Services.
- 10. Contributions to the St. Clair County Mental Health Association.
- 11. Monthly trips to the State Hospital Alton, Illinois to an adopted Cottage for men to bring cheer and refreshments for one year.

We have adopted the fourth Sunday in October as our Annual Founders' Day Observances. On that Sunday we worship with one of the Churches in the city and leave a contribution with that Church. We enjoy the fellowship as well as the spiritual inspiration.

Our yearly sale of handmade articles is called a Craft-A-Rama. This has become our one great effort of the year. The proceeds go to make our purpose become a reality.

Our Past Presidents have been: Mrs. Donnie P. Moore, Miss Adelaine Calhoun, Mrs. Amelia Liddell and Miss Evelyn Berry is now serving her second term as President.

Her Official Staff is: Mrs. B. Mathews, Vice President; Mrs. G. Coates, Sec'y; Mrs. Nettie Coker, Treas; Mrs. G. Jennings, Reporter; and Mrs. A. Liddell, Chaplain.

The members have had fun, gained a new insight in human dignity and above all hope we have made people happier. We have learned new skills, New crafts, even a hat making unit and made new friends. Above all we have learned that only by serving others can we serve our Creator.

The East St. Louis Women's Club had a total roster of twenty-one women during its neophyte year, even though several of these women later "dropped by the wayside." Initial Members of the Club were as follows: Louise Calloway, Muriel Griffin, Adell Hayes, Reba Hill, Dorothy Jones, Alma Kirkpatrick, Lucille Knight, Dortha Lewis, Vercy Lewis, Louise Lyerson, Johnnie Marks, Della Murphy, Lillian Parks, Pernecie Sampson, Greta Scott, Catherine Stewart, Dr. Rosetta Wheadon, Flora Williams, Lillian Williams, Russie Whitfield, and Katie Wright.

On March 3, 1974, The East St. Louis Women's Club, along with the East St. Louis Junior Women's Club held a gala, well attended Installation/Dedication

Luncheon at the East St. Louis Stop Light Restaurant. It was a beautiful event.

Even the weather cooperated! Mrs. Lillian Parks was chairman of the event,

assisted by Mrs. Louise Lyerson and Mrs. Lucille Knight of our club and Mesdames

Barbara Davis and Yvonne Marion of the Junior Club.

At the March 3rd luncheon ceremonies, it was brought out that the East St. Louis Women's Club was organized in order to aid the St. Clair County Cancer Society, and the Lessie Bates Neighborhood House, two extremely worthwhile endeavors. The club also dedicated itself to working with our parent bodies, NACW, IACW, Southern District, our region and our local Council of Clubs.

On October 13, 1974, the club held its first Charity-Rama Tea at the East St. Louis YWCA, 10th and Pennsylvania. Mrs. Creta Scott was general chairman of the event which included a Grand Raffle to raise funds for our two charities. Each charity was presented with two-hundred dollars (\$200.00).

The club has had splendid help from national, state and district officers. The IACW president, Mrs. Delores White of Chicago visited our October 10, 1974 meeting and gave us a message of encouragement. Our club sent its president as a Delegate to the IACW conference in Chicago in June of 1974, where both the president and the club were well accepted. In December, 1974 our club initiated Life Membership Programs in both the NAACP and the Urban League. The club is also affiliated with the Greater East St. Louis Chamber of Commerce.

The East St. Louis Women's Club roster represents a cross-section of the community. For example the wife of the Mayor of East St. Louis, Mrs. James (Lillian) Williams is a member of our club. The club also boosts of a Ph. D, Dr. Rosetta Wheadon. Two of the club members, Dr. Wheadon and President Wright are listed in the Ninth Edition of 'Who's Who of American Women.' The roster contains housewives, career women, younger women and a few women who have retired from career positions.

The East St. Louis Women's Club, though only a little over a year old has continued to make a tremendously positive impact on the community.

#### "IN THE BEGINNING"

THIS IS A BRIEF HISTORY OF THE SIG-TRI-HI FEDERATED YOUNG WOMEN'S ORGANIZATION OF IACW, INC., & NACWC, INC., OF ALTON, ILLINOIS:

In the beginning of the year 1958-ambitious young adult ladies were inspired to start a local young adult club of the Illinois Association of Club Women & Girls. These young women were results from the old "Alton Jewels" Girls Club of IACG which was organized and directed by the oldest Federated Women's Club of Alton-The Federated Unity Club of IACW & NACWC, Inc., These young women, who once were Aiton Jewels and others organized May 14, 1958; in the home of an inspiring helper and Advisor Mrs. Lottie Killion-a member of the Federated Unity Club. Mrs. Ethel Lewis another Federated Unity member also helped the club get started.

Because of her past experience in the IACG & IACW-Mrs. Charlotte Jones Brown was elected as the first President of the new group. A committee, headed by Miss Irma Jones, presented ideas concerning a suitable name for the club. Members accepted Sig-Tri-Hi Organization as the Club Name. The name Sig-Tri-Hi was created from the last line of the local club's Preamble, which is also the local club "Motto"-Sig-created from word Seeking Tri-created from word Strive Hi-created from word Higher. Sig-Tri-Hi has been incorporated since May 1963.

Charter Members are Mrs. Charlotte Jones Brown, Mrs. Jean Jones Ballinger, Mrs. Jannie Jones Gray and Miss Irma Jones.

Honorary Charter members are: Mrs. Henrietta Hearn, Mrs. Virgie Kelly, Mrs. Beulah Malone and Mrs. Salle Wilkinson.

Sig-Tri-Hi has been and will continue to help build the community and surrounding areas of civic federated work. The Sig-Tri-Hi Charter was issued by the State Of Illinois dated May 16, 1963 in accordance with the "General Not For Profit Corporation Act". Past Presidents are: Mrs. Charlotte Brown and Mrs. Henrietta Hearn. Present President is Miss Irma Jones.

Early in 1961-Sig-Tri-Hi, led by Mrs. Charlotte Brown was inspired to re-organize and sponsor an Alton Girls Club. Members organized and started a new Girls Club of IACG and Mrs. Brown was elected as the appointed Supervisor of the local girls department. Girls decided that this new group be known as the Clovetts Civic Girls Club-(High School age group). The name Clovetts was created from IACG'S "Motto" The Four Leaf Clover. Early in 1964 Sig-Tri-Hi organized a Junior Clovett Club of the Girls Dept. (junior high & grade school age group). The Organization now sponsors two girls clubs of IACG. The girls dept. has been trained and directed to do such projects as Canvass for the Heart Fund and Volunteer Work for the Alton State Hospital.

Since organizing in 1958, Sig-Tri-Hi has also worked in several areas of civic and federated work. They have broken down many barriers including the local newspaper. Their two largest annual events have been the Annual Fashion-Tea where professional Models entertain; and the Annual Coronation of Petere-where a Queen of Knowledge is crowned and Debutantes make their Debuts. In training of girls, Sig-Tri-Hi also gives boys a helping hand by training them to qualify for Debutante Escorts or Ushers for various events. Sig-Tri-Hi's Local Theme is "Now Is The Time" and they try to exercise this in community efforts. The newest project being "The Awards Benefit Banquet" to be held May 21, 1966- A celebrity guest speaker Mrs. Daisy Bates will be guest Speaker. The local preamble and other interesting facts of this organization may be found in our constitution- by-laws. Hoping that we have contributed in some way to the History of IACW Clubs.

Humbly Submitted Sig-Tri-Hi Federated Organization Miss Irma Jones, President G I R L 'S A N D Y O U N G A D U L T S

The Young Adults of Northern District

Reverend Lucretia L. Smith, Chairperson.

From June, 1974, up to now, when I became CHAIRPERSON in June, 1974 of the Young Adults. My first thoughts were to see what could be done to start the young adults on their way. I, being sponsor of the local girls club, the L.L. Crusaders. I had girls in the club that should be with the young adults. I started to prepare to bring them to the National body, that they might see, and know what the NACW, Inc. had to offer a young mind. I was able to bring three (3) the girls club, and three (3) for the Young Adults, in which two young adults received their certificates in the young adults. This gave me a lift, even though I could not take a part at the National. I had the joy of training, and bringing and sharing, which it did not make any difference at the National, I had done a job.

Now we are home, and it is the 3rd Saturday in each month, we meet from 12:00 noon, till 2 P.M.. Some young adults are in college, away from home. I have one adult waiting to become a member of the Job Corps. She will be stationed in Cleveland, Ohio. She had stopped school in high school; with a few meetings, and me teaching her right by my side, some household things, she saw the need of education. Some are married ladies with small children, and yet they are very young. This is why we meet at 12:00 noon, to 2: p.m.; it gives the girls a chance to get their food in there homes, their household chores done, come to the meeting, and still be back home for their dinner hour. We open at noon with the club prayer, all clubs of young adults take a part. We say the pledge of the United States flag, after which we sing, Mine Eyes Have Seen the Glory of the Coming of the Lord. We have a study period of black history, after which we talk on events of todays life, which takes up many subjects. Of course our

7

young adults, some in college, some have made mistakes, and have to find their way back to being young and useful. That they may be what they ought to be.

With a special interest in young adults as a (leader), I find some of them

very dedicated to what they believe. My best work is working with Cotillions,

getting a girl ready to take a bow. Their six weeks of hard training, and

six weeks of training to meet the grown world is a real challenge.

# BRIEF HISTORY OF THE STATE YOUNG ADULT DEPARTMENT OF THE - ILLINOIS ASSOCIATION OF CLUB WOMEN AND GIRLS, INC.

The YOUNG ADULT DEPARTMENT has always been included in the work of the ILLINOIS ASSOCIATION OF CLUB WOMEN AND GIRLS, INC.. This Department serves as the place for IACW Club girls to transfer when they out grow the girls association. The age group is 18 to 35, which includes a new division called the Junior Women.

During our club girls years, my mother, the late Mrs. Willie Ann Jones, a Past
President of the Alton Federated Unity Club insisted that we as girls be
involved along with her in the Illinois Association of Club Women/Girls. We
became members of the Alton Jewels Girl's Club sponsored by the Federated
Unity Club. Charlotte Jones Brown became the State President of the Illinois
Association of Girls Club.

Later becoming young adults, Charlotte and I wanted to continue in the club work that mother introduced us to. We pleaded not to be dropped when we out grew the girls. During this time there was a great need for the State Young Adult Department to re-activate. As new Young Adults we begged for a young adult club. We like others would go to the State Meetings and continue with the girls department, which was defeating.

Finally we were heard, and as products of the Alton Jewels, with the leadership of Mrs. Lottie Killion and Mrs. Ethel Lewis of Alton, we organized the first Young Adult Club in 1958..., thereby becoming the first Young Adult club in the State and in Southern District; as the new birth of the State Young Adults began.

As a Young Adult Club, we organized two NAGC girls clubs called the Clovette Civic Girls Club and Junior Clovettes in 1961..(2 of the oldest girls clubs in the state).. Charlotte Jones Brown became first President of the Young Adult Club. Also being a part of the State we were the first Young Adult club organized in the Southern District and the first organized in the state during the rebirth.

As the State Young Adult Department began it's new birth, Mrs. Lottie Killion under the administration of President Mrs. Alice Foy or Mrs. Ethel Lewis, was appointed State Supervisor of Young Adults; recommended because of her work in Alton with young adults. Her club, the Federated Unity Club and Mrs. Ethel Lewis supported her in this endeavor. Young Adults working close with her was the Jones Sisters-namely Irma Jones and Charlotte Jones Brown, Charter Members of the first Young Adult Club in Illinois.

As the first Young Adult Club in the State, after the rebirth, State Supervisor Killion organized a Program Committee made up of the young adult club of Alton, who helped her to plan and present the first State Young Adult Pamphlet of rules and regulations. It was issued June 22, 1961 and signed by Mrs. Lottie Killion and the Alton Young Adults. Through Mrs. Killion the State Young Adult Department becam to grow; using the Southern District Young Adults as the strength of this new growth.

The upbuilding continued as the State realized that young women are important to the life of the association; therefore upon recommendation of Mrs. Killion and others, Irma Jones, a Young Adult became the newly appointed State Supervisor of Young Adults.

As time moved on, new young adult clubs were being organized, especially in

the Southern District under the leadership of Mrs. Reba Hill and Irma Jones; all this supported the new birth of the State Young Adult Department. Recalling one occasion, Mrs. Hill was instrumental in organizing the first young adult club in East St. Louis; which was followed up with an invited visit from Irma Jones on club organization. Miss Jones was instrumental in recruiting many of the active young women who are now involved in club work. In reference to State organization, Miss Jones served an extended term. Young Adults, regardless to the number tegan arriving on Saturday as usual to meet, but not with the girls as in the past..out of this has grown young adult independence in programing their own business and entertainment; and at the same time it has helped to strengthen the senior department.

Under the administration of President Ruby Edwards, Miss Jones State Supervisor produced the first Young Adult Breakfast which was a success for young adults and women, held early Sunday morning of the convention. Under the administration of President Reba Hill, Miss Jones began the Annual Sunday Evening Young Adult Program and Fashion Show. Young Women participated and the first Certificate of Recognition to IACW Club Women began during this presentation. The recognitions were sponsored by the Young Adult Department.

This was the beginning of the new birth of the State Young Adult Department of IACW. With the help of IACW, this growth spilled over into the Regional and National Association. Irma Jones was later elected Regional Young Adult Coordinator/Director; and later elected the first National 3rd Vice President and Young Adult Coordinator of the National Association; where Miss Jones submitted the original State Young Adult Pamphlet as the guide for the National Young Adults, until the old young adults rules could be re-written. Charlotte Jones Brown, served an extended term as Supervisor of Girls; served as Regional Girls Supervisor; later serving as National Assistant Girls Supervisor. Mrs. Brown is presently serving as the Regional Young Adult Coordinator/Director.

In reference to the Junior Women's Division of the Young Adult Department; as you know this is the older young adults ranging between the ages of 25-35.

Later these same young adults-namely Irma Jones and Charlotte Brown spearheaded along with other Alton Charter members of the Alton Young Adult Club, Virgie Kelly, Jannie Gray, Jean Ballinger, Diane Holmes, Doris Jones, Wansa McClora and Mabel Alexander..all transferred as older young adults from the Alton Young Adult Club, into the Junior Women's Division; organizing the first Junior Women's Club in the State of the Illinois Association of Club Women and Girls, Inc..known as the Tri Del Federated Junior Women's Club of Alton..(see Tri Del History)..

Thus ends our highlights and brief history of the State Young Adult Dept. of IACW, Inc..

BRIEF HISTORY OF IACW - GIRLS DEPARTMENT 1962 thru 1966 Mrs. Benjamin (Charlotte Jones) Brown, State Supervisor

I became a part of the I.A.C.W. & Girls when I joined the Alton Jewel's Girls Club sponsored by the Federated Unity Club, of which my mother, Mrs. Willie Ann Jones was a member. My mother being interested in club work was my inspiration to be a part of this great organization.

In 1953 as the Southern District Girls President I was surprised while attending the State Convention in Chicago, I found very few girls or a program for I.A.C.G.'s. I was the only girl from the Southern and Central District and only a few girls from Chicago.

After returning home I was determined to do something to lift the girls department of Illinois. At the age of 18, I along with others from the local girls club, organized the first young adult club in Illinois with the hlep of Mrs. Killion, appointed State Supervisor of the Y-Adult Department. Still concerned with the girls department we as the young adults of Alton organized a girls club.

In 1960 with Mrs. Ethel Lewis, president, the State Convention was held in Alton, Ill. As sponsor of the girls club we hosted the girls department, with Mrs. Sadie Smith, State Supervisor of Girls.

Because of the fine program presented during the State Convention in Alton, it was recommended during the next election year (1962) by Mrs. Smith, that I would be elected State Supervisor of Girls. She also requested that the State give me a donation on expenses to the National Convention, which met in Washington, D.D.; since I was interested in knowing and planning a better program for the girls patterned after the National Girls Program.

After returning from the National I presented to Illinois the full program patterned after the National, which was as follow: Oratorical contest, talent, fashion review (clothes made by girls themselves), girls educational preconference and also the girls Banquet.

During my first year as supervisor, I was successful with presenting the program with the help of State President, Mrs. Minnie Lee. We had the Oratorical and it was explained, that in an Oratorical one does not use notes; a very hard thing for all to get used to. In the past, girls made their speeches from a paper or notes.

Miss Patricia Smith was the winner awarded a trophy during our state convention which met at St. Paul's AME Church, Springfield, Illinois. We also had the <u>first Fashion Show</u> by the girls in which each entry designed and made their garments. <u>Miss Josephine Patterson</u> was the <u>Girls State President</u>. There were twelve clubs to attend this convention, which was good for my first year, and also for the State Assoc. with girls from each district.

It wasn't until my second year that we were able to complete the National program within our state, with our <u>First</u> Banquet which was held at the Jackson Tea Room in Chicago, Ill. during the State Convention, with the help of Mrs. Sadie Smith, past and host supervisor. After our business meetings, instead of the Pre-Career Conference we would have something educational - a speaker etc. We would discuss the theme of the year, for example, in 1966 the Theme was "What Makes Your Life Count". The five theme subjects were; What makes your life count in your family, In your IACG Club, In your Church, In your community and In your Job".

I was also able to make use of many of the trophies that past president's had given to the state girls, but wasn't being used. The Fannie Baxter O'Banion Culture Achievement Award, which was given to any club girl who entered her outstanding club achievement, The Ada L. Walton Trophy, given for Arts and Crafts. These trophies was traveling trophies. The Fashion Review was a new trophy which was given by yours truly Charlotte M. Brown since I was the first supervisor to introduce Fashion as part of the girl's program. We added the Certificate of Merit, to be presented to girls who did not win trophies.

It was voted during the 1964 convention to elect a supervisor for a fouryear term instead of two years, if she had the ability and willingness to serve. It was felt that a supervisor becomes acquainted with the work during the first two years and could render better service later with her experience.

I was re-elected as supervisor 1964-66 under the administration of Mrs. Ruby Edwards, State President. Mrs. Edwards was a big help in her two years as president to this department. We had our 2nd Banquet on the campus of Wesleyan University, Bloomington, I1. and many more girls attended from each of the three districts. We had our third Banquet in Chicago during the State meeting at the Southmoor Hotel, Mrs. Edwards, President. A new Traveling Trophy was added - The Ruby A. Edwards Trophy which was given for first place winner of the Oratorical. We were able with monies raised and help from the Senior body, to send the Girls to the National Convention in Denver and also the Girls State President, Miss Frankie Sanders of Chicago and one girl from each district, Miss Vanessa Hudson, C.D. and Miss Waleen Jones, S.D., was elected delegates along with yours truly as supervisor, to the National Convention which was held in Oklahoma City.

We were also able to send a delegate to our Central Regional Convention, of which I was later elected Central Region Supervisor of Girls. I was also proud to serve as National Assistant Supervisor of girls 1970-74.

I finished as supervisor of the State, elated over how the girls' department had grown, I consider my work for this department a challenge and an opportunity for service as I try to Lift as we Climb.

Mrs. Edna Wallace, C.D. (Monmouth, IL) was elected as the new supervisor at the end of my term.

In 1967 Mrs. Edna Wallace newly elected supervisor was not able to complete her term as supervisor, because of the death of her husband. I was asked by State Pres. Mrs. Reba Hill, to act as supervisor again during the convention meeting which was held in East St. Louis, Illinois. We were able to present our program under the state girls president Miss Waleen Jones, S.D. - Alton, Illinois.

\*One Historical factor in the State Girl's History, is that 3 sisters have served as the IACG State Girl's President. Your truly Charlotte Jones Brown, served as Vice President. The other Jones sisters who have been state president of the girl's department are: Waleen Jones, Gwendolyn Jones and W. Delores Jones, all daughter of the late Mrs. Damon (Willie Ann) Jones who served in many positions in the District and State.

Mrs. Mary Rhodes followed Mrs. Daisy Fair as state supervisor of girls. She served during the yearsk of 1971, 1972, 1973, and 1974.

The 1971 convention was held in Alton, Illinois. Mrs. Rhodes chose a "shoe rally" for the state project. The project netted \$69.75. Mrs. Daisy Brooks was I.A.C.W. president.

In 1972, the state convention was held in Chicago, Illinois with three new clubs from Chicago becoming a part of I.A.C.G. The state project was a "Raffle, and it netted \$110.50. Mrs. Daisy Brooks was I.A.C.W. president.

In 1973 the state convention was held in Springfield Illinois Mrs. Daisy Fair was I.A.C.W. president. Miss W. Delores Jones was I.A.C.G. president. The state project for the year was a Miss I.A.C.W. Cotillion. This project netted \$302.00.

Tennie Cole of Springfield was the 1974 I.A.C.G. president. The 1974, convention was held in Chicago, Illinois with Mrs. Daisy Fair serving as president of the I.A.C.W. The state project was a duplicate of 1973 and total amount raised for the state project was \$440.87. The girls department turned in \$617.37 to the treasure, which was one of the largest amounts turned in by the girls division.

The girls theme for the year was "Working Together As One." An Illinois girl, Angela Lewis, represented in Atlanta, Georgia and won first place.

In the Miss N.A.C.G. sponsored by the National Association Colored Girls, an Illinois girl placed second.

An Illinois Girl Carlotta Sampson was elected 1st vice president of the N.A.C.G.

The Daughters of Essence were originally called the La Servio Juniorettes.

They were organized in 1965 with Bernice Collins as president, and Mrs. Mary

Rhodes as sponsor.

The group became afflicated with the Southern Illinois District Association of Club Girls, I.A.C.G. N.A.C.G. and Central Region Association of the N.A.C.G.

The purpose of this non profit civic organization is to alleviate human sufferings, through deeds. Some deeds performed were:
